4 (h) If a taxing unit fails to file the information required by

13 SECTION 5. IC 6-1.1-17-20.2 IS ADDED TO THE INDIANA  
 14 CODE AS A NEW SECTION TO READ AS FOLLOWS  
 15 [EFFECTIVE JULY 1, 2015]: **Sec. 20.2. (a) This section applies only**  
 16 **to a unit in which the unit's executive or member of the unit's fiscal**  
 17 **body serves as a volunteer firefighter for a volunteer fire**  
 18 **department or a fire department that provides fire protection**  
 19 **services to the unit in which the individual holds the elected office,**  
 20 **under a contract (excluding a mutual aid agreement) or as the**  
 21 **unit's fire department.**

22 (b) As used in this section, "unit" means a city, town, or  
 23 township in a county not having a consolidated city.

24 (c) After the unit's fiscal body has adopted the unit's budget, the  
 25 unit's fiscal body must submit its budget and property tax levies to  
 26 the county fiscal body of the county in which the unit is located.  
 27 The budget and property tax levies must be submitted to the  
 28 county fiscal body according to a schedule adopted by the  
 29 department of local government finance.

30 (d) The county fiscal body shall review the unit's budget and  
 31 property tax levies and adopt a final budget and final property tax

34 (e) If a unit's fiscal body fails to submit the unit's budget and  
 35 property tax levies as required in subsection (c) with the county  
 36 fiscal body by the time prescribed in the schedule adopted by the  
 37 department of local government finance, the most recent annual

 39 the ensuing budget year.

40 (f) If the county fiscal body fails to complete the requirements  
 41 of subsection (c) before the adoption deadline under section 5 of

2 budget year.

3 (g) A county fiscal body member who is a volunteer firefighter

6 a vote on the adoption of the unit's budget and tax levies.

7 (h) If at least a majority of the members of the county fiscal  
8 body that approve the unit's budget are volunteer firefighters  
9 serving in the fire department in which the unit's executive or fiscal  
10 body member is also serving as a volunteer firefighter, the unit's  
11 most recent annual appropriations are continued for the ensuing  
12 budget year. However, the county fiscal body may adopt any  
13 additional appropriations of the unit by ordinance before the  
14 department of local government finance may approve the  
15 additional appropriation.

16 SECTION 6. IC 6-1.1-18-5, AS AMENDED BY P.L.137-2012,  
17 SECTION 29, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE  
18 JULY 1, 2015]: Sec. 5. (a) If the proper officers of a political  
19 subdivision desire to appropriate more money for a particular year than  
20 the amount prescribed in the budget for that year as finally determined  
21 under this article, they shall give notice of their proposed additional  
22 appropriation. The notice shall state the time and place at which a  
23 public hearing will be held on the proposal. The notice shall be given  
24 once in accordance with IC 5-3-1-2(b).

25 (b) If the additional appropriation by the political subdivision is  
26 made from a fund that receives:

27 (1) distributions from the motor vehicle highway account  
28 established under IC 8-14-1-1 or the local road and street account  
29 established under IC 8-14-2-4; or

30 (2) revenue from property taxes levied under IC 6-1.1;  
31 the political subdivision must report the additional appropriation to the  
32 department of local government finance. If the additional appropriation  
33 is made from a fund described under this subsection, subsections (f),  
34 (g), (h), and (i) apply to the political subdivision.

35 (c) However, if the additional appropriation is not made from a fund  
36 described under subsection (b), subsections (f), (g), (h), and (i) do not  
37 apply to the political subdivision. Subsections (f), (g), (h), and (i) do  
38 not apply to an additional appropriation made from the cumulative  
39 bridge fund if the appropriation meets the requirements under  
40 IC 8-16-3-3(c).

41 (d) A political subdivision may make an additional appropriation  
42 without approval of the department of local government finance if the

1 additional appropriation is made from a fund that is not described  
 2 under subsection (b). However, the fiscal officer of the political  
 3 subdivision shall report the additional appropriation to the department  
 4 of local government finance.

5 (e) After the public hearing, the proper officers of the political  
 6 subdivision shall file a certified copy of their final proposal and any  
 7 other relevant information to the department of local government  
 8 finance.

9 (f) When the department of local government finance receives a  
 10 certified copy of a proposal for an additional appropriation under  
 11 subsection (e), the department shall determine whether sufficient funds  
 12 are available or will be available for the proposal. The determination  
 13 shall be made in writing and sent to the political subdivision not more  
 14 than fifteen (15) days after the department of local government finance  
 15 receives the proposal.

16 (g) In making the determination under subsection (f), the  
 17 department of local government finance shall limit the amount of the  
 18 additional appropriation to revenues available, or to be made available,  
 19 which have not been previously appropriated.

20 (h) If the department of local government finance disapproves an  
 21 additional appropriation under subsection (f), the department shall  
 22 specify the reason for its disapproval on the determination sent to the  
 23 political subdivision.

24 (i) A political subdivision may request a reconsideration of a  
 25 determination of the department of local government finance under this  
 26 section by filing a written request for reconsideration. A request for  
 27 reconsideration must:

- 28 (1) be filed with the department of local government finance
- 29 within fifteen (15) days of the receipt of the determination by the
- 30 political subdivision; and
- 31 (2) state with reasonable specificity the reason for the request.

32 The department of local government finance must act on a request for  
 33 reconsideration within fifteen (15) days of receiving the request.

34 (j) This subsection applies to an additional appropriation by a  
 35 political subdivision that must have the political subdivision's annual  
 36 appropriations and annual tax levy adopted by a city, town, or county  
 37 fiscal body under IC 6-1.1-17-20, **IC 6-1.1-17-20.2**, or by a legislative  
 38 or fiscal body under IC 36-3-6-9. The fiscal or legislative body of the  
 39 city, town, or county that adopted the political subdivision's annual  
 40 appropriation and annual tax levy must adopt the additional  
 41 appropriation by ordinance before the department of local government  
 42 finance may approve the additional appropriation.

(k) This subsection applies to a public library that:

- (1) is required to submit the public library's budgets, tax rates, and tax levies for nonbinding review under IC 6-1.1-17-3.5; and
- (2) is not required to submit the public library's budgets, tax rates, and tax levies for binding review and approval under IC 6-1.1-17-20.

If a public library subject to this subsection proposes to make an additional appropriation for a year, and the additional appropriation would result in the budget for the library for that year increasing (as compared to the previous year) by a percentage that is greater than the result of the assessed value growth quotient determined under IC 6-1.1-18.5-2 for the calendar year minus one (1), the additional appropriation must first be approved by the city, town, or county fiscal body described in IC 6-1.1-17-20.3(c) or IC 6-1.1-17-20(d), as appropriate.

SECTION 7. IC 36-3-6-9, AS AMENDED BY P.L.137-2012, SECTION 118, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2015]: Sec. 9. (a) Except as provided in subsection (d), the city-county legislative body shall review the proposed operating and maintenance budgets and tax levies and adopt final operating and maintenance budgets and tax levies for each of the following entities in the county:

- (4) A public transportation corporation operating under IC 36-9-4.
- (5) A health and hospital corporation established under IC 16-22-8.
- (6) Any other taxing unit (as defined in IC 6-1.1-1-21) that is located in the county and has a governing body that is not comprised of a majority of officials who are elected to serve on the governing body.
- (7) An excluded city (as described in IC 36-3-1-7) or a township in which the executive or a member of the fiscal body serves as a volunteer firefighter for a volunteer fire department or a fire department that provides fire protection services:**
  - (A) to the excluded city (as described in IC 36-3-1-7) or township in which the individual holds the elected office;**
  - and**
  - (B) under a contract (excluding a mutual aid agreement) or**

1 **as the unit's fire department.**

2 Except as provided in subsection (c), the city-county legislative body  
3 may reduce or modify but not increase a proposed operating and  
4 maintenance budget or tax levy under this section.

5 (b) The board of each entity listed in subsection (a) shall, after  
6 adoption of its proposed budget and tax levies, submit them, along with  
7 detailed accounts, to the city clerk before September 2.

8 (c) The city-county legislative body or, when subsection (d) applies,  
9 the fiscal body of an excluded city or town shall review the issuance of  
10 bonds of an entity listed in subsection (a). Approval of the city-county  
11 legislative body or, when subsection (d) applies, the fiscal body of an  
12 excluded city or town is required for the issuance of bonds. The  
13 city-county legislative body or the fiscal body of an excluded city or  
14 town may not reduce or modify a budget or tax levy of an entity listed  
15 in subsection (a) in a manner that would:

16 (1) limit or restrict the rights vested in the entity to fulfill the  
17 terms of any agreement made with the holders of the entity's  
18 bonds; or

19 (2) in any way impair the rights or remedies of the holders of the  
20 entity's bonds.

21 (d) **Except as provided in subsection (d)**, if the assessed valuation  
22 of a taxing unit is entirely contained within an excluded city or town (as  
23 described in IC 36-3-1-7) that is located in a county having a  
24 consolidated city, the governing body of the taxing unit shall submit its  
25 proposed operating and maintenance budget and tax levies to the city  
26 or town fiscal body for approval and not the city-county legislative  
27 body. Except as provided in subsection (c), the fiscal body of the  
28 excluded city or town may reduce or modify but not increase a  
29 proposed operating and maintenance budget or tax levy under this  
30 section.

31 (e) **An excluded city or township under subsection (a)(7) must**  
32 **submit its budget and tax levies to the county fiscal body according**  
33 **to a schedule adopted by the department of local government**  
34 **finance. If the excluded city or township fails to submit its budget**  
35 **and property tax levies in accordance with the department of local**  
36 **government finance's schedule, the most recent annual**  
37 **appropriations and annual tax levy of the excluded city or**  
38 **township are continued for the ensuing budget year. If the county**  
39 **fiscal body fails to finally adopt the budget or tax levies by the**  
40 **adoption deadline in IC 6-1.1-17-5, the most recent annual**  
41 **appropriations and annual tax levy of the excluded city or**  
42 **township are continued for the ensuing budget year.**

1       (f) A county fiscal body member who is a volunteer firefighter  
2       serving in the fire department in which the executive or fiscal body  
3       member of the excluded city or township is also a volunteer  
4       firefighter may not participate in a vote on the adoption of the  
5       budget and tax levies of the excluded city or township.

6       (g) If at least a majority of the members of the county fiscal  
7       body that approve the budget and tax levies of the excluded city or  
8       township are volunteer firefighters serving in the fire department  
9       in which the executive or fiscal body member is also serving as a  
10      volunteer firefighter, the excluded city's or township's most recent  
11      annual appropriations are continued for the ensuing budget year.  
12      However, the county fiscal body may adopt any additional  
13      appropriations of the excluded city or township by ordinance  
14      before the department of local government finance may approve  
15      the additional appropriation.

- (1) the average increase in Indiana nonfarm personal income for the preceding six (6) calendar years and the average increase in nonfarm personal income for the county for the preceding six (6) calendar years; and
- (2) increases in the budgets and tax levies of other taxing units in the county.

(g) The department of local government finance must provide each county fiscal body with the most recent available information concerning increases in Indiana nonfarm personal income and increases in county nonfarm personal income.

(h) If a taxing unit fails to file the information required by subsection (b) with the fiscal body of the county in which the taxing unit is located by the time prescribed in subsection (d), the most recent annual appropriations and annual tax levy of that taxing unit are continued for the ensuing budget year.

(i) If a county fiscal body fails to complete the requirements of subsection (e) before the deadline in subsection (e) for any taxing unit subject to this section, the most recent annual appropriations and annual tax levy of the county are continued for the ensuing budget year.

SECTION 5. IC 6-1.1-17-20.2 IS ADDED TO THE INDIANA CODE AS A **NEW** SECTION TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2015]: **Sec. 20.2. (a) This section applies only to a unit in which the unit's executive or member of the unit's fiscal body serves as a volunteer firefighter for a volunteer fire department or a fire department that provides fire protection services to the unit in which the individual holds the elected office, under a contract (excluding a mutual aid agreement) or as the unit's fire department.**

(b) As used in this section, "unit" means a city, town, or township in a county not having a consolidated city.

(c) After the unit's fiscal body has adopted the unit's budget, the unit's fiscal body must submit its budget and property tax levies to the county fiscal body of the county in which the unit is located. The budget and property tax levies must be submitted to the county fiscal body according to a schedule adopted by the department of local government finance.

(d) The county fiscal body shall review the unit's budget and property tax levies and adopt a final budget and final property tax levies for the unit. The county fiscal body may reduce or modify, but not increase, the unit's budget and property tax levies.

(e) If a unit's fiscal body fails to submit the unit's budget and property tax levies as required in subsection (c) with the county fiscal body by the time prescribed in the schedule adopted by the department of local government finance, the most recent annual appropriations and annual tax levy of the unit are continued for the ensuing budget year.

(f) If the county fiscal body fails to complete the requirements of subsection (c) before the adoption deadline under section 5 of this chapter for the unit, the most recent annual appropriations and annual tax levy of the unit are continued for the ensuing budget year.

(g) A county fiscal body member who is a volunteer firefighter serving in the fire department in which the executive or member of the fiscal body is also a volunteer firefighter may not participate in a vote on the adoption of the unit's budget and tax levies.

(h) If at least a majority of the members of the county fiscal body that approve the unit's budget are volunteer firefighters serving in the fire department in which the unit's executive or fiscal body member is also serving as a volunteer firefighter, the unit's most recent annual appropriations are continued for the ensuing budget year. However, the county fiscal body may adopt any additional appropriations of the unit by ordinance before the department of local government finance may approve the additional appropriation.

SECTION 6. IC 6-1.1-18-5, AS AMENDED BY P.L.137-2012, SECTION 29, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2015]: Sec. 5. (a) If the proper officers of a political subdivision desire to appropriate more money for a particular year than the amount prescribed in the budget for that year as finally determined under this article, they shall give notice of their proposed additional

appropriation. The notice shall state the time and place at which a public hearing will be held on the proposal. The notice shall be given once in accordance with IC 5-3-1-2(b).

(b) If the additional appropriation by the political subdivision is made from a fund that receives:

(1) distributions from the motor vehicle highway account established under IC 8-14-1-1 or the local road and street account established under IC 8-14-2-4; or

(2) revenue from property taxes levied under IC 6-1.1;

the political subdivision must report the additional appropriation to the department of local government finance. If the additional appropriation is made from a fund described under this subsection, subsections (f), (g), (h), and (i) apply to the political subdivision.

(c) However, if the additional appropriation is not made from a fund described under subsection (b), subsections (f), (g), (h), and (i) do not apply to the political subdivision. Subsections (f), (g), (h), and (i) do not apply to an additional appropriation made from the cumulative bridge fund if the appropriation meets the requirements under IC 8-16-3-3(c).

(d) A political subdivision may make an additional appropriation without approval of the department of local government finance if the additional appropriation is made from a fund that is not described under subsection (b). However, the fiscal officer of the political subdivision shall report the additional appropriation to the department of local government finance.

(e) After the public hearing, the proper officers of the political subdivision shall file a certified copy of their final proposal and any other relevant information to the department of local government finance.

(f) When the department of local government finance receives a certified copy of a proposal for an additional appropriation under subsection (e), the department shall determine whether sufficient funds are available or will be available for the proposal. The determination shall be made in writing and sent to the political subdivision not more than fifteen (15) days after the department of local government finance receives the proposal.

(g) In making the determination under subsection (f), the department of local government finance shall limit the amount of the additional appropriation to revenues available, or to be made available, which have not been previously appropriated.

(h) If the department of local government finance disapproves an additional appropriation under subsection (f), the department shall

specify the reason for its disapproval on the determination sent to the political subdivision.

(i) A political subdivision may request a reconsideration of a determination of the department of local government finance under this section by filing a written request for reconsideration. A request for reconsideration must:

- (1) be filed with the department of local government finance within fifteen (15) days of the receipt of the determination by the political subdivision; and
- (2) state with reasonable specificity the reason for the request.

The department of local government finance must act on a request for reconsideration within fifteen (15) days of receiving the request.

(j) This subsection applies to an additional appropriation by a political subdivision that must have the political subdivision's annual appropriations and annual tax levy adopted by a city, town, or county fiscal body under IC 6-1.1-17-20, **IC 6-1.1-17-20.2**, or by a legislative or fiscal body under IC 36-3-6-9. The fiscal or legislative body of the city, town, or county that adopted the political subdivision's annual appropriation and annual tax levy must adopt the additional appropriation by ordinance before the department of local government finance may approve the additional appropriation.

(k) This subsection applies to a public library that:

- (1) is required to submit the public library's budgets, tax rates, and tax levies for nonbinding review under IC 6-1.1-17-3.5; and
- (2) is not required to submit the public library's budgets, tax rates, and tax levies for binding review and approval under IC 6-1.1-17-20.

If a public library subject to this subsection proposes to make an additional appropriation for a year, and the additional appropriation would result in the budget for the library for that year increasing (as compared to the previous year) by a percentage that is greater than the result of the assessed value growth quotient determined under IC 6-1.1-18.5-2 for the calendar year minus one (1), the additional appropriation must first be approved by the city, town, or county fiscal body described in IC 6-1.1-17-20.3(c) or IC 6-1.1-17-20(d), as appropriate."
